OFFICE OF PETITIONS

In re Application of
Andrew Bonthron et al
Application No. 09/892,807
Filed: June 26, 2001
Attorney Docket No. MULT1800

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed January 17, 2003, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice to File Missing Parts of Nonprovisional Application (Notice) mailed August 17, 2001. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on October 18, 2001.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Accordingly, since the \$1,790.00 extension of time submitted with the petition on January 17, 2003 was subsequent to the maximum extendable period for reply, petitioner may request a refund of this fee by writing to the Office of Finance, Refund Section. A copy of this decision should accompany petitioner's request.

Telephone inquiries concerning this decision should be directed to Wan Laymon at (703) 305-9282.

The application file is being forwarded to the Office of Initial Patent Examination.

A handwritten signature in cursive script, appearing to read "Wan Laymon", is written over the printed name.
